**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 17, 2021**

This proxy statement (the “Proxy Statement”) and our annual report for the fiscal year ended December 31, 2020 (the “Annual Report” and, together with the Proxy Statement, the “proxy materials”) are being furnished by and on behalf of the Board of Directors (the “Board of Directors” or “Board”) of Frequency Therapeutics, Inc. (the “Company”, “Frequency”, “we,” “us” or “our”) in connection with our 2021 annual meeting of stockholders (the “Annual Meeting”). The proxy materials are first being sent on or about May 4, 2021 to all stockholders entitled to notice of and to vote at the Annual Meeting.

In light of the public health and travel safety concerns related to the ongoing coronavirus (COVID-19) pandemic and after careful consideration, the Annual Meeting will be a completely virtual meeting and will be held via live webcast in order to facilitate stockholder attendance and participation by enabling stockholders to participate and vote electronically from any location. Details regarding how to attend the meeting online are more fully described below.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON THURSDAY, JUNE 17, 2021. A Notice Regarding the Internet Availability of Proxy Materials (the “Notice”) will be mailed to certain of our stockholders. The proxy materials can be accessed at our Investor Relations website at <http://investors.frequencytx.com> or by following the instructions in the Notice.

General information about the Annual Meeting and Voting

How do I attend the Annual Meeting?

The Annual Meeting will be held on Thursday, June 17, 2021 at 9:00 a.m. Eastern Time via a live webcast. Prior registration at www.proxydocs.com/FREQ to attend the Annual Meeting is required by 8:59 a.m. Eastern Time on Thursday, June 17, 2021 (the “Registration Deadline”). You will need the control number that appears on your proxy card (the “Control Number”) to register to attend the meeting. If your shares are held in “street name,” as described below, you should use your Control Number provided on your notice or voting instruction form, or otherwise vote through the bank, broker or other nominee. The meeting webcast will begin promptly at 9:00 a.m. Eastern Time. We encourage you to access the meeting prior to the start time. We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual meeting website by calling the technical support number provided by email one hour prior to the Annual Meeting. After completion of your registration by the Registration Deadline, further instructions, including a unique link to access the Annual Meeting, will be emailed to you. For any questions on how to register for the Annual Meeting, please contact Jason Glashow at (781) 315-4628 or jglashow@frequencytx.com.

What is the purpose of the Annual Meeting?

The purpose of the Annual Meeting is to vote on the following items described in this Proxy Statement:

- Proposal No. 1: Election of the director nominees listed in this Proxy Statement.
- Proposal No. 2: Ratification of the appointment of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021.

Are there any matters to be voted on at the Annual Meeting that are not included in this Proxy Statement?

We are not aware of any matters to be voted on at the Annual Meeting other than those referred to in this Proxy Statement. If other matters are properly presented at the meeting or any adjournment or postponement thereof for consideration, and you are a stockholder of record and have submitted a proxy card, the persons named in your proxy card will have the discretion to vote on those matters for you.

Why a virtual meeting?

In light of the public health and travel safety concerns related to the ongoing coronavirus (COVID-19) pandemic and after careful consideration, the Company has determined to hold a virtual annual meeting in order to facilitate stockholder attendance and participation by enabling stockholders to participate from any location and at no cost.

What does it mean if I receive more than one set of proxy materials?

It means that your shares are held in more than one account at the transfer agent and/or with banks, brokers or other nominees in “street name” as described below. Please vote all of your shares. To ensure that all of your shares are voted, for each set of proxy materials, please submit your proxy by phone, via the Internet, or, if you received printed copies of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope.

Who is entitled to vote at the Annual Meeting?

Holders of record of shares of our common stock as of the close of business on April 19, 2021 (the “Record Date”) are entitled to notice of and to vote at the Annual Meeting and any continuation, postponement or adjournment thereof. At the close of business on the Record Date, there were 34,219,155 shares of our common stock issued and outstanding and entitled to vote. Each share of our common stock is entitled to one vote on any matter presented to stockholders at the Annual Meeting.

What is the difference between being a “record holder” and holding shares in “street name”?

A record holder (also called a “registered holder”) holds shares in his or her name. Shares held in “street name” means that shares are held in the name of a bank, broker or other nominee on the holder’s behalf.

What do I do if my shares are held in “street name”?

If your shares are held in a brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in “street name.” The proxy materials have been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote your shares by following their instructions for voting. Please refer to the information from your bank, broker or other nominee on how to submit your voting instructions. In addition, as discussed below, if you are a street name stockholder, you are invited to attend and vote your shares at the Annual Meeting live via webcast so long as you register to attend the Annual Meeting at www.proxydocs.com/FREQ by the Registration Deadline and have requested a legal proxy from your broker, bank, or nominee. See “*How do I attend the Annual Meeting?*”

How many shares must be present to hold the Annual Meeting?

A quorum must be present at the Annual Meeting for any business to be conducted. The holders of a majority in voting power of our capital stock issued and outstanding and entitled to vote, present by remote communication or represented by proxy, constitutes a quorum. If you sign and return your paper proxy card or authorize a proxy to vote electronically or telephonically, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated in the proxy materials.

[Table of Contents](#)

Broker non-votes will also be considered present for the purpose of determining whether there is a quorum for the Annual Meeting.

What are “broker non-votes”?

A “broker non-vote” occurs when shares held by a broker in “street name” for a beneficial owner are not voted with respect to a proposal because (1) the broker has not received voting instructions from the stockholder who beneficially owns the shares and (2) the broker lacks the authority to vote the shares at their discretion.

Under current Nasdaq interpretations that govern broker non-votes, Proposal No. 1 for the election of directors is considered a non-discretionary matter, and a broker does not have the authority to vote uninstructed shares at its discretion on such proposal. Proposal No. 2 for the ratification of the appointment of RSM US LLP as our independent registered public accounting firm is considered a discretionary matter, and a broker is permitted to exercise its discretion to vote uninstructed shares on the proposal.

What if a quorum is not present at the Annual Meeting?

If a quorum is not present or represented at the scheduled time of the Annual Meeting, (i) the chairperson of the Annual Meeting or (ii) a majority in voting power of the stockholders entitled to vote at the Annual Meeting, present by remote communication or represented by proxy, may adjourn the Annual Meeting until a quorum is present or represented.

How do I vote my shares without attending the Annual Meeting?

We recommend that stockholders vote by proxy even if they plan to attend the Annual Meeting and vote electronically. If you are a stockholder of record, there are three ways to vote by proxy:

- by Telephone—You can vote by telephone by calling 1-866-390-5362 and following the instructions on the proxy card;
- by Internet—You can vote over the Internet at www.proxypush.com/FREQ by following the instructions on the proxy card; or
- by Mail—You can vote by mail by signing, dating and mailing the proxy card, which you may have received by mail.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. Eastern Time on June 16, 2021.

If your shares are held in the name of a bank, broker or other nominee, you will receive instructions on how to vote from the bank, broker or other nominee. You must follow the instructions of such bank, broker or other nominee in order for your shares to be voted.

How can I vote my shares at the Annual Meeting?

If you have registered to attend the Annual Meeting, you may vote at the Annual Meeting through www.proxydocs.com/FREQ. To be admitted to the Annual Meeting and vote your shares, you must register by the Registration Deadline and provide the Control Number. See “*How do I attend the Annual Meeting?*” Even if you plan to attend the Annual Meeting, we encourage you to vote in advance by Internet, telephone or mail so that your vote will be counted even if you later decide not to attend the Annual Meeting.

Will there be a question and answer session during the Annual Meeting?

There will be a question and answer session at the Annual Meeting. Stockholders must submit their questions in advance of the Annual Meeting at www.proxydocs.com/FREQ after logging in with your Control Number. Shortly after the meeting, we may post questions and answers if applicable to our business on our Investor Relations website at <http://investors.frequencytx.com>.

[Table of Contents](#)

How does the Board of Directors recommend that I vote?

The Board of Directors recommends that you vote:

- FOR the nominees to the Board set forth in this Proxy Statement (Proposal 1).
- FOR the ratification of the appointment of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021 (Proposal 2).

How many votes are required to approve each proposal?

The table below summarizes the proposals that will be voted on, the vote required to approve each item and how votes are counted:

<u>Proposal</u>	<u>Votes Required</u>	<u>Voting Options</u>	<u>Impact of "Withhold" or "Abstain" Votes</u>	<u>Broker Discretionary Voting Allowed</u>
Proposal No. 1: Election of Directors	The plurality of the votes cast. This means that the two nominees receiving the highest number of affirmative "FOR" votes will be elected as Class II directors.	"FOR ALL" "WITHHOLD ALL" "FOR ALL EXCEPT"	None ⁽¹⁾	No ⁽³⁾
Proposal No. 2: Ratification of Appointment of Independent Registered Public Accounting Firm	The affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively at the Annual Meeting by the holders entitled to vote thereon.	"FOR" "AGAINST" "ABSTAIN"	None ⁽²⁾	Yes ⁽⁴⁾

- (1) Votes that are "withheld" will have the same effect as an abstention and will not count as a vote "FOR" or "AGAINST" a director, because directors are elected by plurality voting.
- (2) A vote marked as an "Abstention" is not considered a vote cast and will, therefore, not affect the outcome of this proposal.
- (3) As this proposal is not considered a discretionary matter, brokers lack authority to exercise their discretion to vote uninstructed shares on this proposal.
- (4) As this proposal is considered a discretionary matter, brokers are permitted to exercise their discretion to vote uninstructed shares on this proposal.

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board of Directors. The Board's recommendations are set forth above, as well as with the description of each proposal in this Proxy Statement.

Who will count the votes?

Representatives of Mediant Communications Inc. ("Mediant") will tabulate the votes, and representatives of Mediant will act as inspectors of election.

Can I revoke or change my vote after I submit my proxy?

Yes. Whether you have voted by Internet, telephone or mail, if you are a stockholder of record, you may change your vote and revoke your proxy by:

- sending a written statement to that effect to the attention of our Secretary at our corporate offices at 75 Hayden Avenue, Lexington, MA 02421, provided such statement is received no later than June 16, 2021;
- voting again by Internet or telephone at a later time before the closing of those voting facilities at 11:59 p.m. Eastern Time on June 16, 2021;
- submitting a properly signed proxy card with a later date that is received no later than June 16, 2021; or
- attending the Annual Meeting, revoking your proxy and voting electronically, provided you have registered for the meeting by the Registration Deadline.

If you hold shares in street name, you may submit new voting instructions by contacting your bank, broker or other nominee. If you are a street name stockholder, you are invited to attend and vote your shares at the Annual Meeting live via webcast so long as you register to attend the Annual Meeting at www.proxydocs.com/FREQ by the Registration Deadline.

Your most recent proxy card or telephone or Internet proxy is the one that is counted. Your attendance at the Annual Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Company before your proxy is voted or you vote electronically at the Annual Meeting.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees (for no additional compensation) in person or by telephone, electronic transmission and facsimile transmission. Banks, brokers and other nominees will be requested to distribute proxies or authorizations from beneficial owners and will be reimbursed for their reasonable expenses. We have also hired Georgeson LLC to assist in the solicitation of proxies at a cost of \$12,500 plus out-of-pocket expenses.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K (“Form 8-K”) that we expect to file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

Who should I call if I have any additional questions?

If you are the stockholder of record for your shares, please call Jason Glashow at (781) 315-4628. If your shares are held in street name, please contact the telephone number provided on your voting instruction form or contact your bank, broker or other nominee directly.

PROPOSAL 1: ELECTION OF DIRECTORS

Board Size and Structure

Our Certificate of Incorporation as currently in effect (“Certificate of Incorporation”) provides that the number of directors shall be established from time to time by our Board of Directors. Our Board has fixed the number of directors at seven, and we currently have seven directors serving on the Board.

Our Certificate of Incorporation provides that the Board of Directors be divided into three classes, designated as Class I, Class II and Class III. Each class must consist, as nearly as may be possible, of one-third of the total number of directors constituting the entire Board. Each class of directors must stand for re-election no later than the third annual meeting of stockholders subsequent to their initial appointment or election to the Board of Directors, provided that the term of each director will continue until the election and qualification of his or her successor and is subject to his or her earlier death, resignation or removal. Generally, vacancies or newly created directorships on the Board of Directors will be filled only by vote of a majority of the directors then in office and will not be filled by the stockholders, unless the Board determines by resolution that any such vacancy or newly created directorship will be filled by the stockholders. A director appointed by the Board of Directors to fill a vacancy will hold office until the next election of the class for which such director was chosen, subject to the election and qualification of his or her successor and his or her earlier death, resignation or removal.

Current Directors and Terms

Our current directors and their respective classes and terms are set forth below.

Class I Director - Current Term Ending at 2023 Annual Meeting	Class II Director - Current Term Ending at 2021 Annual Meeting	Class III Director - Current Term Ending at 2022 Annual Meeting
Marc A. Cohen David L. Lucchino	Cynthia L. Feldmann Michael Huang Joel S. Marcus	Timothy J. Barberich Robert S. Langer

Nominees for Director

Ms. Feldmann and Messrs. Huang and Marcus have been nominated by the Board of Directors to stand for election. As the directors assigned to Class II, Ms. Feldmann and Messrs. Huang and Marcus’ current terms of service will expire at the Annual Meeting. If elected by the stockholders at the Annual Meeting, Ms. Feldmann and Messrs. Huang and Marcus will each serve for a term expiring at the annual meeting of stockholders to be held in 2024 (the “2024 Annual Meeting”) subject to the election and qualification of his or her successor or until his or her earlier death, resignation or removal. In addition, contingent upon Ms. Feldmann’s election to the Board of Directors at this Annual Meeting, Ms. Feldmann will replace Mr. Barberich as chair of the audit committee and Mr. Barberich will continue serving as a member of the audit committee.

Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. If, however, prior to the Annual Meeting, the Board of Directors should learn that any nominee will be unable to serve for any reason, the proxies that otherwise would have been voted for this nominee will be voted for a substitute nominee as selected by the Board. Alternatively, the proxies, at the Board of Directors’ discretion, may be voted for that fewer number of nominees as results from the inability of any nominee to serve. The Board of Directors has no reason to believe that any of the nominees will be unable to serve.

Information About Board Nominees and Continuing Directors

The following pages contain certain biographical information for each nominee for director and each director whose term as a director will continue after the Annual Meeting, including all positions he or she holds,

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Appointment of Independent Registered Public Accounting Firm

The audit committee appoints our independent registered public accounting firm. In this regard, the audit committee evaluates the qualifications, performance and independence of our independent registered public accounting firm and determines whether to re-engage our current firm. As part of its evaluation, the audit committee considers, among other factors, the quality and efficiency of the services provided by the firm, including the performance, technical expertise, industry knowledge and experience of the lead audit partner and the audit team assigned to our account; the overall strength and reputation of the firm; the firm's global capabilities relative to our business; and the firm's knowledge of our operations. RSM US LLP ("RSM") has served as our independent registered public accounting firm since 2017. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors and providing audit and permissible non-audit related services. Upon consideration of these and other factors, the audit committee has appointed RSM to serve as our independent registered public accounting firm for the year ending December 31, 2021.

Although ratification is not required, the Board of Directors is submitting the selection of RSM to our stockholders for ratification because we value our stockholders' views on our independent registered public accounting firm and it is a good corporate governance practice. If our stockholders do not ratify the selection, it will be considered as notice to the Board of Directors and the audit committee to consider the selection of a different firm. Even if the selection is ratified, the audit committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our Company and our stockholders.

Representatives of RSM are expected to attend the Annual Meeting and to have an opportunity to make a statement and be available to respond to appropriate questions from stockholders.

Independent Registered Public Accounting Firm Fees

The following is a summary and description of fees incurred by RSM for the fiscal years ended December 31, 2020 and 2019:

	Fiscal Year 2020	Fiscal Year 2019
Audit fees(1)	\$215,000	\$ 160,000
Audit-related fees(2)	\$ 40,000	\$ 380,750
Tax fees(3)	\$ 37,500	\$ 80,000
All other fees	\$ —	\$ —
Total Fees	\$292,500	\$ 620,750

(1) Audit fees consist of fees for our quarterly reviews and audit of our annual financial statements.

(2) Audit-related fees in 2019 consist of fees related to our initial public offering of our common stock (the "IPO") and in 2020 consist of fees related to the registration of the shares sold in our PIPE financing and filing of our registration statement on Form S-3.

(3) Tax fees are related to tax advisory services.

Pre-Approval Policy

The formal written charter for our audit committee requires that the audit committee pre-approve all audit services to be provided to us, whether provided by our principal auditor or other firms, and all other services

[Table of Contents](#)

(review, attest and non-audit) to be provided to us by our independent registered public accounting firm, other than de minimis non-audit services approved in accordance with applicable rules of the U.S. Securities and Exchange Commission (“SEC”).

The audit committee has adopted a pre-approval policy that sets forth the procedures and conditions pursuant to which audit and non-audit services proposed to be performed by our independent registered public accounting firm may be pre-approved. This pre-approval policy generally provides that the audit committee will not engage an independent registered public accounting firm to render any audit, audit-related, tax or permissible non-audit service unless the service is either (i) explicitly approved by the audit committee or (ii) entered into pursuant to the pre-approval policies and procedures described in the pre-approval policy. Unless a type of service to be provided by our independent registered public accounting firm has received this latter general pre-approval under the pre-approval policy, it requires specific pre-approval by the audit committee.

The audit committee periodically reviews and generally pre-approves services (and annually approves related fee levels or budgeted amounts) that may be provided by our independent registered public accounting firm without first obtaining specific pre-approval from the audit committee. The audit committee may revise the list of general pre-approved services from time to time, based on subsequent determinations. Any member of the audit committee to whom the committee delegates authority to make pre-approval decisions must report any such pre-approval decisions to the audit committee at its next scheduled meeting. If circumstances arise where it becomes necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories or above the pre-approved amounts, the audit committee requires pre-approval for such additional services or such additional amounts.

Our pre-approval policy became effective in connection with our IPO in October 2019. The services provided to us by RSM after October 2019 for the remainder of 2019 were provided in accordance with our pre-approval policies and procedures.

Board Recommendation

The Board of Directors unanimously recommends a vote **FOR** the ratification of the appointment of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2021.

Audit Committee Report

The report of the audit committee is not “soliciting material,” is not deemed “filed” with the SEC and is not to be incorporated by reference into any filing of the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, both as amended

The audit committee operates pursuant to a charter which is reviewed annually by the audit committee. Additionally, a brief description of the primary responsibilities of the audit committee is included in this Proxy Statement under the discussion of “Corporate Governance—Audit Committee.” Under the audit committee charter, management is responsible for the preparation, presentation and integrity of the Company’s financial statements, the application of accounting and financial reporting principles and our internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing our financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States.

In the performance of its oversight function, the audit committee reviewed and discussed with management and RSM US LLP, as the Company’s independent registered public accounting firm, the Company’s audited financial statements for the fiscal year ended December 31, 2020. The audit committee also discussed with the Company’s independent registered public accounting firm the matters required to be discussed by applicable standards of the Public Company Accounting Oversight Board (the “PCAOB”) and the Securities and Exchange

Commission. In addition, the audit committee received and reviewed the written disclosures and the letters from the Company's independent registered public accounting firm required by applicable requirements of the PCAOB, regarding such independent registered public accounting firm's communications with the audit committee concerning independence, and discussed with the Company's independent registered public accounting firm their independence from the Company.

Based upon the review and discussions described in the preceding paragraph, the audit committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2020 filed with the SEC.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines. A copy of these Corporate Governance Guidelines can be found in the “Corporate Governance—Governance Documents” section of the “Investors & Media” page of our website located at www.frequencytx.com, or by writing to our Secretary at our offices at 75 Hayden Avenue, Lexington, MA 02421. Among the topics addressed in our Corporate Governance Guidelines are:

- Board size, independence and qualifications
- Executive sessions of independent directors
- Board leadership structure
- Selection of new directors
- Director orientation and continuing education
- Limits on board service
- Change of principal occupation
- Term limits
- Director responsibilities
- Director compensation
- Stock ownership
- Board access to senior management
- Board access to independent advisors
- Board self-evaluations
- Board meetings
- Meeting attendance by directors and non-directors
- Meeting materials
- Board committees, responsibilities and independence
- Succession planning
- Risk management

Board Leadership Structure

Our Corporate Governance Guidelines provide our Board of Directors with flexibility to combine or separate the positions of Chair of the Board and Chief Executive Officer in accordance with its determination that utilizing one or the other structure would be in the best interests of our Company and our stockholders. If the Chair of the Board of Directors is a member of management or does not otherwise qualify as independent, our Corporate Governance Guidelines allow for the appointment by the independent directors of a lead independent director. The lead independent director’s responsibilities include, but are not limited to: presiding over all meetings of the Board of Directors at which the Chair of the Board of Directors is not present, including any executive sessions of the independent directors; approving Board meeting schedules and agendas; and acting as the liaison between the independent directors and the Chief Executive Officer and Chair of the Board. Our Corporate Governance Guidelines provide that, at such times as the Chair of the Board of Directors qualifies as independent, the Chair of the Board will serve as lead independent director.

The positions of our Chair of the Board and our Chief Executive Officer and President currently are served by two separate persons. Mr. Cohen serves as our Chairman of our Board of Directors, and Mr. Lucchino serves as our Chief Executive Officer and President.

The Board of Directors believes our current leadership structure of Chief Executive Officer and Chair of the Board being held by two separate individuals is in the best interests of our Company and our stockholders and strikes the appropriate balance between the Chief Executive Officer’s responsibility for the strategic direction, day-to day-leadership and performance of our Company and the Chair of the Board’s responsibility to guide overall strategic direction of our Company and provide oversight of our corporate governance and guidance to our Chief Executive Officer and to set the agenda for and preside over Board of Directors meetings. We recognize that different leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies. Accordingly, the Board of Directors will continue to periodically review our leadership structure and make such changes in the future as it deems appropriate and in the best interests of our Company and our stockholders.

Director Independence

Under our Corporate Governance Guidelines and the Nasdaq Stock Market listing rules (the “Nasdaq rules”), a director is not independent unless the Board of Directors affirmatively determines that he or she does

[Table of Contents](#)

not have a direct or indirect material relationship with us or any of our subsidiaries. In addition, the director must meet the bright-line tests for independence set forth by the Nasdaq rules.

Our Board of Directors has undertaken a review of its composition, the composition of its committees and the independence of our directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board of Directors has determined that none of Timothy J. Barberich, Marc A. Cohen, Cynthia L. Feldmann, Michael Huang, Robert S. Langer, Sc.D., and Joel S. Marcus, representing six of our seven directors, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors qualifies as “independent” as that term is defined under the Nasdaq rules. In making this determination, our Board of Directors considered the relationships that each non-employee director has with us and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the director’s beneficial ownership of our common stock and the relationships of our non-employee directors with certain of our significant stockholders.

Board Committees

Our Board of Directors has established three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee, each of which has the composition and the responsibilities described below. In addition, from time to time, special committees may be established under the direction of our Board of Directors when necessary to address specific issues. Each of the audit committee, the compensation committee and the nominating and corporate governance committee operates pursuant to a written charter.

Audit Committee

Our audit committee is responsible for, among other things:

- appointing, approving the compensation of, and assessing the independence of our registered public accounting firm;
- overseeing the work of our registered public accounting firm, including through the receipt and consideration of reports from such firm;
- reviewing and discussing with management and the registered public accounting firm our annual and quarterly financial statements and related disclosures;
- coordinating our Board of Directors’ oversight of our internal control over financial reporting, disclosure controls and procedures and Code of Business Conduct and Ethics;
- discussing our risk management policies;

Table of Contents

- reviewing and approving or ratifying any related person transactions;
- pre-approving all audit and non-audit services provided to us by our independent auditor (other than those provided pursuant to appropriate pre-approval policies established by the committee or exempt from such requirement under SEC rules);
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters, and for the confidential and anonymous submission by our employees of concerns regarding questionable accounting or auditing matters and, more generally, suspected violations of our Code of Business Conduct and Ethics; and
- preparing the audit committee report required by SEC rules.

Our audit committee currently consists of Timothy J. Barberich, Cynthia L. Feldmann, Michael Huang and Joel S. Marcus, with Mr. Barberich serving as chair. Contingent upon Ms. Feldmann's election to the Board of Directors at this Annual Meeting, Ms. Feldmann will replace Mr. Barberich as chair of the audit committee and Mr. Barberich will continue serving as a member of the audit committee.

All members of our audit committee meet the requirements for financial literacy under the applicable Nasdaq rules and regulations. Our Board of Directors has affirmatively determined that each member of our audit committee qualifies as "independent" under Nasdaq's heightened standards and Rule 10A-3 of the Exchange Act of 1934, as amended (the "Exchange Act"), applicable to audit committee members, and that Mr. Barberich and Ms. Feldmann each qualify as an "audit committee financial expert," as such term is defined in Item 407(d)(5) of Regulation S-K.

Compensation Committee

Our compensation committee is responsible for, among other things:

- reviewing and approving, or recommending for approval by our Board of Directors, the compensation of our Chief Executive Officer and our other executive officers;
- overseeing and administering our cash and equity incentive plans;
- reviewing and making recommendations to our Board of Directors with respect to director compensation;
- reviewing and discussing annually with management our "Compensation Discussion and Analysis," to the extent required; and
- preparing the annual compensation committee report required by SEC rules, to the extent required.

Our compensation committee may delegate its authority under its charter to one or more subcommittees as it deems appropriate from time to time as further described in its charter. Our compensation committee may also delegate to one or more of our executive officers the authority to grant equity awards to certain employees, as further described in its charter and subject to the terms of our equity plans and any such delegation.

Our compensation committee currently consists of Timothy J. Barberich, Marc A. Cohen and Robert S. Langer, Sc.D., with Mr. Cohen serving as chair. Our Board of Directors has determined that each member of our compensation committee qualifies as "independent" under Nasdaq's heightened standards applicable to compensation committee members and that Messrs. Barberich and Cohen are each a "non-employee director" as defined in Section 16b-3 of the Exchange Act.

Our Chief Executive Officer makes recommendations to the compensation committee regarding the compensation of our executive officers. The compensation committee has the authority to retain or obtain the advice of compensation consultants, legal counsel and other advisors to assist in carrying out its responsibilities.

[Table of Contents](#)

Before selecting any such consultant, counsel or advisor, the compensation committee reviews and considers the independence of such consultant, counsel or advisor in accordance with applicable Nasdaq rules. We must provide appropriate funding for payment of reasonable compensation to any advisor retained by the compensation committee.

Compensation Consultant

In accordance with its authority to retain consultants and advisors described above, the compensation committee has engaged Radford, an Aon Company (“Radford”) to provide executive and director compensation consulting services to the compensation committee. In 2020, Radford provided services to the compensation committee, which included providing information and data on current trends and developments in executive and director compensation, analyzing benchmarking data and evaluating our peer group composition. Radford reported directly to our compensation committee. However, certain of our executive officers and other members of senior management consulted with Radford with respect to assessments of executive and director compensation and related matters to be provided to the compensation committee. The Compensation Committee reviewed compensation assessments provided by Radford comparing our compensation to that of a group of peer companies within our industry and met with Radford to discuss compensation of our executive officers and to receive its input and advice. Radford did not provide services to us other than consulting services related to the compensation and benefits of our directors and officers in 2020, as well as providing benchmarking data related to the compensation and benefits of our employees in 2020. The compensation committee evaluated whether any of the work performed by Radford during 2020 raised any conflict of interest and determined that it did not.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee is responsible for, among other things:

- identifying individuals qualified to become members of our Board of Directors;
- recommending to our Board of Directors the persons to be nominated for election as directors and to each committee of the Board;
- developing and recommending to our Board of Directors corporate governance guidelines, and reviewing and recommending to our Board proposed changes to our corporate governance guidelines from time to time; and
- overseeing a periodic evaluation of our Board of Directors.

Our nominating and corporate governance committee currently consists of Marc A. Cohen, Michael Huang, Robert S. Langer, Sc.D. and Joel S. Marcus, with Mr. Marcus serving as chair.

Board of Directors and Committee Meetings and Attendance

During the year ended December 31, 2020, our Board of Directors met four times, the audit committee met five times, the compensation committee met three times, and the nominating and corporate governance committee met two times. Each of the incumbent directors attended at least 75% of the total of the meetings of the Board of directors and the committees on which he or she served as a member during the year ended December 31, 2020.

Executive Sessions

Executive sessions, which are meetings of the non-management members of the Board of Directors, are regularly scheduled throughout the year. In addition, at least twice a year, the independent directors meet in a private session that excludes management and any non-independent directors. At each of these meetings, the non-management and independent directors in attendance, as applicable, determine which member will preside at such session.

Director Attendance at Annual Meeting of Stockholders

We do not have a formal policy regarding the attendance of members of our Board of Directors at our annual meetings of stockholders, but we expect all directors to make every effort to attend any meeting of stockholders.

Director Nominations Process

The nominating and corporate governance committee is responsible for recommending candidates to serve on our Board of Directors and its committees. In considering whether to recommend any particular candidate to serve on the Board of Directors or its committees or for inclusion in the Board's slate of recommended director nominees for election at an annual meeting of stockholders, the nominating and corporate governance committee considers the criteria set forth in our Corporate Governance Guidelines. Specifically, the nominating and corporate governance committee may take into account many factors, including: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; strong finance experience; relevant social policy concerns; experience relevant to our industry; experience as a board member or executive officer of another publicly held company; relevant academic expertise or other proficiency in an area of our operations; diversity of expertise and experience in substantive matters pertaining to our business relative to other board members; diversity of background and perspective, including, but not limited to, with respect to age, gender, race, place of residence and specialized experience; practical and mature business judgment, including, but not limited to, the ability to make independent analytical inquiries; and any other relevant qualifications, attributes or skills. In determining whether to recommend a director for re-election, the nominating and corporate governance committee may also consider the director's past attendance at meetings and participation in and contributions to the activities of the Board of Directors.

We do not have a formal policy with regard to the consideration of diversity in identifying director nominees. The Board of Directors evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas.

In identifying prospective director candidates, the nominating and corporate governance committee may seek referrals from other members of the Board of Directors, management, stockholders and other sources, including third party recommendations. The nominating and corporate governance committee also may, but need not, retain a search firm in order to assist it in identifying candidates to serve as directors of the Company. The nominating and corporate governance committee uses the same criteria for evaluating candidates regardless of the source of the referral or recommendation. When considering director candidates, the nominating and corporate governance committee seeks individuals with backgrounds and qualities that, when combined with those of our incumbent directors, provide a blend of skills and experience to further enhance the Board of Directors' effectiveness. In connection with its annual recommendation of a slate of nominees, the nominating and corporate governance committee also may assess the contributions of those directors recommended for re-election in the context of the Board of Directors evaluation process and other perceived needs of the Board.

Each of the director nominees to be elected at the Annual Meeting was recommended by our President, Chief Executive Officer, and Chairman of the Board and evaluated in accordance with our standard review process for director candidates in connection with their initial appointment and their nomination for election at the Annual Meeting. When considering whether the directors and nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively in light of our business and structure, the Board focused primarily on the experience described in each of the member's biographical information set forth above. We believe that our directors provide an appropriate mix of experience and skills relevant to the size and nature of our business. This process resulted in the Board of Directors' nomination of the incumbent directors named in this Proxy Statement and proposed for election by you at the Annual Meeting.

[Table of Contents](#)

The nominating and corporate governance committee will consider director candidates recommended by stockholders, and such candidates will be considered and evaluated under the same criteria described above. Any recommendation submitted to us should be in writing and should include any supporting material the stockholder considers appropriate in support of that recommendation, but must include information that would be required under the rules of the SEC to be included in a proxy statement soliciting proxies for the election of such candidate and a written consent of the candidate to serve as one of our directors if elected and must otherwise comply with the requirements under our Amended and Restated Bylaws (“Bylaws”) for stockholders to recommend director nominees. Stockholders wishing to propose a candidate for consideration may do so by submitting the above information to the attention of our Secretary at Frequency Therapeutics, Inc., 75 Hayden Avenue, Lexington, MA 02421. These timing requirements are also described under the caption “Stockholder Proposals and Director Nominations.”

Board Role in Risk Oversight

The Board of Directors has overall responsibility for risk oversight, including, as part of regular Board and committee meetings, general oversight of executives’ management of risks relevant to the Company. A fundamental part of risk oversight is not only understanding the material risks a company faces and the steps management is taking to manage those risks, but also understanding what level of risk is appropriate for our Company. The involvement of the Board of Directors in reviewing our business strategy is an integral aspect of the Board’s assessment of management’s tolerance for risk and its determination of what constitutes an appropriate level of risk for our Company. While the Board of Directors has overall responsibility for risk oversight, it is supported in this function by its audit committee, compensation committee and nominating and corporate governance committee. Each of the committees regularly reports to the Board of Directors.

The audit committee assists the Board of Directors in fulfilling its risk oversight responsibilities by periodically reviewing our accounting, reporting and financial practices, including the integrity of our financial statements, the surveillance of administrative and financial controls, our compliance with legal and regulatory requirements and our enterprise risk management program. Through its regular meetings with management, including the finance, legal, tax, compliance, and information technology functions, the audit committee reviews and discusses significant areas of our business and summarizes for the Board of Directors areas of risk and the appropriate mitigating factors. The compensation committee assists the Board of Directors by overseeing and evaluating risks related to our Company’s compensation structure and compensation programs. The nominating and corporate governance committee assists the Board of Directors by overseeing and evaluating programs and risks associated with the independence of the Board and potential conflicts of interest. In addition, the Board of Directors receives periodic detailed operating performance reviews from management.

Narrative to summary compensation table

Our executive compensation program is designed to align compensation with business objectives and the creation of stockholder value, while also enabling us to attract, motivate and retain individuals who contribute to our long-term success. For 2020, the compensation of our named executive officers primarily consisted of a base salary, an annual cash incentive bonus opportunity, equity compensation in the form of stock options and health and welfare benefits. Pursuant to their employment agreements, the named executive officers are also eligible to receive certain payments and benefits upon a termination of employment under certain circumstances.

2020 salaries

Each of the named executive officers receives a base salary to provide a fixed component of compensation intended to reflect the executive’s skill set, experience, role and responsibilities. Annual base salaries are

[Table of Contents](#)

reviewed periodically by the compensation committee and the board of directors. Effective January 1, 2020, the compensation committee approved an increase in the base salary for Mr. Lucchino from \$525,000 to \$551,250. Mr. Pfreundschuh was hired in December 2020 and Ms. Arnold was hired in February 2020. Their base salaries were set at \$450,000 per year and \$308,000 per year, respectively.

2020 bonuses

We offer our named executive officers the opportunity to earn annual performance bonuses to compensate them for attaining short-term company and individual goals established by our board of directors. Each named executive officer has an established target annual performance bonus amount, expressed as a percentage of the named executive officer's annual base salary. The target bonus amounts for Mr. Lucchino, Mr. Pfreundschuh and Ms. Arnold in 2020 were 55%, 40% and 35%, respectively.

In January 2021, the compensation committee evaluated the named executive officers' performance against the relevant bonus goals and approved the amounts earned by our named executive officers under the Company's annual bonus program for 2020 and included above in the 2020 Summary Compensation Table. The amounts earned for Mr. Lucchino and Ms. Arnold exceeded their target bonus based on the exceptional performance of our Company and of each of them individually in 2020, as determined by the compensation committee. Specifically, the compensation committee considered our Company's completed enrollment of our Phase 2a study in the midst of the Covid-19 pandemic, initiation of two clinical trials for patients living with age-related and severe hearing loss, completion of a durability study, continued advancement of our next generation work on hearing, advancement of our multiple sclerosis program, advancement of our pre-commercial related studies, and the expansion of our team in critical areas, preparing Frequency for its next phase of growth. As a result, the actual bonuses awarded to Mr. Lucchino and Ms. Arnold for 2020 performance were approved at above target. The amount earned for Mr. Pfreundschuh matched his target bonus and was pro-rated to reflect the portion of the calendar year during which he was employed.

Equity compensation

Although we do not have a formal policy with respect to the grant of equity incentive awards to our executive officers, including our named executive officers, or any formal equity ownership guidelines applicable to them, we believe that equity grants provide our executive officers with a strong link to our long-term performance, create an ownership culture and help to align the interests of our executive officers and our stockholders. In addition, we believe that equity grants with a time-based vesting feature promote executive retention because this feature incentivizes our executive officers to remain in our employment during the vesting period. Accordingly, our board of directors periodically reviews the equity incentive compensation of our executives, including our named executive officers, and from time to time may grant equity incentive awards to them in the form of stock options.

We typically grant stock option awards to each executive officer and employee upon the individual's commencement of employment and make additional grants of stock option awards on an annual basis for retention purposes. Each option has an exercise price equal to the fair market value of our common stock on the date of grant. During the fiscal year ended December 31, 2020, we granted stock options to each of our named executive officers, as shown in more detail in the "Outstanding Equity Awards at Fiscal Year End" table below.

Other elements of compensation

Retirement plan

We maintain a 401(k) retirement savings plan for our employees, or the 401(k) Plan, including our named executive officers, who satisfy certain eligibility requirements. Our named executive officers are eligible to participate in the 401(k) Plan on the same terms as other full-time employees. Under this plan, during 2020 we

[Table of Contents](#)

matched 100% of the first 5% of participants' contributions. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) Plan adds to the overall desirability of our executive compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation policies.

Health and welfare plans

During their employment, our named executive officers are eligible to participate in our employee benefit plans and programs, including medical, dental and vision benefits, to the same extent as our other full-time employees, subject to the terms and eligibility requirements of those plans.

Executive compensation arrangements

Employment agreements

Mr. Lucchino

We entered into a second amended and restated executive employment agreement with Mr. Lucchino on September 20, 2019, pursuant to which we employ Mr. Lucchino as our President and Chief Executive Officer. The employment agreement also provides for Mr. Lucchino to serve as a member of our board of directors for as long as he is employed as our Chief Executive Officer. The employment agreement has an indefinite term.

The employment agreement provides for an annual base salary of \$525,000, which was increased to \$551,250 effective January 1, 2020, and for a target annual performance bonus equal to 55% of Mr. Lucchino's annual base salary to be based on the attainment of predetermined performance objectives agreed upon between Mr. Lucchino and our board of directors. In the event of certain corporate transactions, including a spin-off of assets or a restructuring, Mr. Lucchino is entitled to the same relative ownership percentage in the resulting entity or entities as he had in our Company immediately before the corporate transaction. If a "change in control" (as such term is defined in his employment agreement) occurs, all of Mr. Lucchino's time-based equity awards will accelerate and vest.

If we terminate Mr. Lucchino's employment without "cause", he resigns for "good reason" or his employment terminates as a result of "disability" (as such terms are defined in the employment agreement) or death, subject to his execution and non-revocation of a release in favor of our Company, he is entitled to receive the following termination payments: (i) twelve months' base salary, (ii) 100% of his target annual bonus and (iii) a pro-rated portion of his annual target bonus based on the portion of the year he was employed. The payments under clauses (i)-(iii) are payable in a single lump sum on the first payroll date following the 60th day after his termination of employment. Mr. Lucchino may also receive up to twelve months' continued coverage, at our expense, under the Consolidated Omnibus Budget Reconciliation Act of 1985, or COBRA, if he elects such continued coverage. In addition to the termination payments, all time-based equity awards granted to Mr. Lucchino will accelerate and vest as to the number of shares that would have vested had he remained employed for an additional six months following his date of termination. If such a qualifying termination occurs following a "change in control", subject to his execution and non-revocation of a release, Mr. Lucchino will be entitled to receive the same termination payments except (i) the severance payment will be equal to eighteen months' base salary and (ii) all equity awards held by Mr. Lucchino will accelerate and vest (including performance vesting awards, which will vest at target level of achievement).

Mr. Lucchino is also party to restrictive covenant agreements, pursuant to which he has agreed to refrain from competing with us or soliciting our customers or employees during his employment and for one year following termination of his employment and from disclosing our proprietary information during or at any time following his employment.

Mr. Pfreunds Schuh

We entered into an employment agreement with Mr. Pfreunds Schuh on November 24, 2020, pursuant to which we employ Mr. Pfreunds Schuh as our Chief Financial Officer. The employment agreement has an indefinite term.

The employment agreement for Mr. Pfreunds Schuh provides for an annual base salary of \$450,000, a target annual performance bonus equal to 40% of his base salary based on the attainment of predetermined individual and company performance objectives determined by our board of directors, and a relocation bonus equal to \$70,000, which was payable on the first payroll date following the commencement of his employment.

In the event we terminate Mr. Pfreunds Schuh's employment without "cause" or he resigns for "good reason" (as such terms are defined in the employment agreement), subject to his execution and non-revocation of a release in

[Table of Contents](#)

favor of our Company, he is entitled to receive the following termination payments: (i) twelve months' continued base salary in equal installments following his termination, (ii) 100% of his target annual bonus paid in a lump sum within fourteen days following his execution of the release and (iii) if he makes an election, up to twelve months continued coverage under COBRA, with us paying the same portion of the COBRA premiums as we pay for active employees. If such a qualifying termination occurs within twelve months following a "change in control" (as defined in his employment agreement), Mr. Pfreundschuh's equity awards will accelerate and vest.

Mr. Pfreundschuh is party to restrictive covenant agreements, pursuant to which he has agreed to refrain from competing with us or soliciting our customers or employees during his employment and for one year following termination of his employment and from disclosing our proprietary information during or at any time following his employment.

Ms. Arnold

We entered into an employment agreement with Ms. Arnold on December 19, 2019, pursuant to which we employ Ms. Arnold as our Chief People Officer.

The employment agreement for Ms. Arnold provides for an annual base salary of \$308,000, a target annual performance bonus equal to 35% of her base salary based on the attainment of predetermined individual and company performance objectives agreed upon between Ms. Arnold and us, and a sign on bonus equal to \$52,272, which was payable on the first payroll date following the commencement of her employment.

Under Ms. Arnold's employment agreement, if we terminate Ms. Arnold's employment without "cause" or she resigns for "good reason" (as such terms are defined in the employment agreement), subject to her execution and non-revocation of a release in favor of our Company, she is entitled to receive the following termination payments: (i) twelve months' continued base salary in equal installments following her termination, (ii) 100% of her target annual bonus paid in a lump sum within 14 days following her execution of the release and (iii) if she makes an election, up to twelve months continued coverage under COBRA, with us paying the same portion of the COBRA premiums as we pay for active employees. If such a qualifying termination occurs within 12 months following a "change in control" (as defined in her employment agreement), Ms. Arnold's equity awards will accelerate and vest.

Ms. Arnold is party to restrictive covenant agreements, pursuant to which she has agreed to refrain from competing with us or soliciting our customers or employees during her employment and for one year following termination of her employment and from disclosing our proprietary information during or at any time following her employment.

- an annual director fee of \$35,000, and
- if the director serves on a committee of our board of directors or in the other capacities stated below, an additional annual fee as follows:

- compensation committee member other than the chairman, \$5,000,

Stock options granted to our non-employee directors under the program have an exercise price equal to the fair market value of our common stock on the date of grant and expire not later than ten years after the date of grant. The stock options granted upon a director's initial election or appointment vest in 36 substantially equal monthly installments following the date of grant. The stock options granted annually to directors vest in a single installment on the earlier of the day before the next annual meeting or the first anniversary of the date of grant. In addition, all unvested stock options vest in full upon the occurrence of a change in control.

Director fees under the program are payable in arrears in four equal quarterly installments not later than the fifteenth day following the final day of each calendar quarter, provided that the amount of each payment is prorated for any portion of a quarter that a director is not serving as non-employee member of our board.

Mr. Lucchino, our President and Chief Executive Officer, serves on our board of directors but does not receive additional compensation for his service as a director. Refer to the discussion of named executive officer compensation elsewhere in this section for information regarding Mr. Lucchino's 2020 compensation.

STOCK OWNERSHIP**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT
AND RELATED STOCKHOLDER MATTERS****Security Ownership of Certain Beneficial Owners and Management**

The following table sets forth information relating to the beneficial ownership of our common stock as of March 31, 2021, by: (i) each person, or group of affiliated persons, known by us to beneficially own more than 5% of our outstanding shares of common stock; (ii) each of our directors; (iii) each of our named executive officers for 2021; and (iv) all directors and executive officers as a group.

The number of shares beneficially owned by each stockholder is determined under rules issued by the SEC. Under these rules, a person is deemed to be a “beneficial” owner of a security if that person has or shares voting power or investment power, which includes the power to dispose of or to direct the disposition of such security. Except as indicated in the footnotes below, we believe, based on the information furnished to us, that the individuals and entities named in the table below have sole voting and investment power with respect to all shares of common stock beneficially owned by them, subject to any applicable community property laws.

The percentage of shares beneficially owned is computed on the basis of 34,216,186 shares of our common stock outstanding as of March 31, 2021. Shares of our common stock that a person has the right to acquire within 60 days of March 31, 2021 are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all directors and executive officers as a group. Unless otherwise indicated, the address for each of the stockholders in the table below is c/o Frequency Therapeutics, 75 Hayden Avenue, Lexington, MA 02421.

CERTAIN TRANSACTIONS WITH RELATED PERSONS**Policies and Procedures Regarding Transactions with Related Persons**

Our Board of Directors recognizes that transactions with related persons present a heightened risk of conflicts of interests and/or improper valuation (or the perception thereof). Our Board of Directors has adopted a written policy on transactions with related persons that is in conformity with the requirements for issuers having publicly held common stock listed on the Nasdaq Stock Market. Our related person transaction policy requires that the audit committee approve or ratify related person transactions required to be disclosed pursuant to Item 404(a) of Regulation S-K (which are transactions in which we were or are to be a participant and the amount involved exceeds the lesser of (i) \$120,000 or (2) one percent of the average of our total assets at fiscal year-end for the last two completed fiscal years, and in which any “related person” as defined under Item 404(a) of Regulation S-K had or will have a direct or indirect material interest). It is our policy that directors interested in a related person transaction will recuse themselves from any vote on a related person transaction in which they have an interest. Each of the transactions described below entered into following the adoption of our related person transaction policy was approved in accordance with such policy.

Leases

In December 2016, we entered into a lease for laboratory, office and storage facilities in Woburn, Massachusetts with ARE-MA Region No. 20, LLC, an entity affiliated with Alexandria. Joel S. Marcus, one of our directors, is executive chairman of Alexandria. Under the lease, which was amended in November 2019, January 2020 and December 2020, and terminates in May 2021, we pay monthly base rent and operating expenses. The total rent paid under these leases was \$349 thousand and \$484 thousand for the years ended December 31, 2019 and 2020, respectively. Aggregate future rental payments under the lease were \$231 thousand as of December 31, 2020.

Massachusetts Institute of Technology License Agreement

In December 2016, we entered into an exclusive patent license agreement, or the MIT License Agreement, with the Massachusetts Institute of Technology, or MIT. The patents in-licensed by us from MIT pursuant to the MIT License claim inventions created by, among others, Robert Langer, one of our directors. Pursuant to MIT policy, inventors of intellectual property invented at MIT, including the inventors of patents licensed to us under the MIT License, are entitled to a portion of the net royalty income derived by MIT from such inventions.

In July 2019, we entered into a License and Collaboration Agreement with Astellas, or the Astellas Agreement, under which we granted Astellas an exclusive, royalty-bearing, sub-licensable, nontransferable license to certain patent rights to research, develop, manufacture, have manufactured, use, seek and secure regulatory approval for, commercialize, offer for sale, sell, have sold and import, and otherwise exploit licensed products containing both a GSK-3 inhibitor and an HDAC inhibitor, including the product candidate FX-322, outside of the United States. Pursuant to the Astellas Agreement, we received an \$80 million upfront payment in July 2019, or the Astellas Royalty Payment.

Pursuant to the MIT License Agreement, we are obligated to pay royalties and a portion of sublicensing income to MIT. We were required to pay MIT a royalty of \$16 million on the \$80 million Astellas Royalty Payment. Dr. Langer is entitled to receive a portion of the amounts we pay to MIT under the MIT License, including the Astellas Royalty Payment and future milestone payments or royalties, if any, that we may receive pursuant to the Astellas Agreement. Accordingly, Dr. Langer has received \$1.98 million and \$0.01 million from MIT under the MIT Policy during the year ended December 31, 2020 and 2019, respectively.

Frequency Japan

In January 2018, our Japanese subsidiary Frequency Japan completed the sale of 2,000,000 shares of its Series A preferred stock to Axil at a purchase price of 100 yen (\$0.9272997) per share, for an aggregate purchase price of approximately 200.0 million yen (\$1.8 million). In October 2018, Frequency Japan completed the sale of 2,248,200 shares of Series B preferred stock to Axil at a purchase price of 100 yen (\$0.9272997) per share, for an

aggregate purchase price of approximately 224.8 million yen (\$2.1 million). Translations from yen to dollars are based on 107.84 yen to \$1.00 exchange rate as of June 28, 2019. From October 2018 to March 2019, Fred Shane, who is affiliated with Axil, served on our board of directors.

In connection with each such sale, we entered into a purchase option agreement with Axil which provided that, upon the closing of our IPO, Axil has the option to convert its shares of Series A preferred stock and Series B preferred stock of Frequency Japan into 673,605 shares of our common stock.

We also issued and sold 10,000 shares of our Series A-1 preferred stock at a purchase price of \$0.75 per share and 10,000 shares of our Series B-1 preferred stock at a purchase price of \$0.920439 per share to FT-FJ Investment, LLC, or FT-FJ, an entity controlled by us. FT-FJ then granted to Axil an irrevocable proxy to vote the shares of Series A-1 and Series B-1 preferred stock held by FT-FJ. Each share of Series A-1 preferred stock had 35.0 times the voting power of one share of common stock and each share of Series B-1 preferred stock had 32.2 times the voting power of one share of common stock.

In August 2019, we entered into an agreement with Axil, FT-FJ, and Frequency Japan, pursuant to which, upon the closing of our IPO: (i) Axil converted its shares of preferred stock held in Frequency Japan into shares of our common stock and terminated its proxy over the shares of Series A-1 and B-1 preferred stock held by FT-FJ and (ii) FT-FJ forfeited its shares of Series A-1 and Series B-1 preferred stock.

On February 18, 2021, we completed the liquidation and dissolution of Frequency Japan.

Investors' Rights Agreement

We entered into a second amended and restated investors' rights agreement, or the Investors' Rights Agreement, in July 2019 with each holder of our preferred stock, which included certain holders of more than 5% of our common stock and certain of our directors and executive officers. The Investors' Rights Agreement imposed certain affirmative obligations on us, and also granted certain rights to the holders, including certain information rights, rights to participate in future stock issuances, and certain registration rights with respect to the registrable securities held by them as described below. Certain provisions of the Investors' Rights Agreement terminated upon the closing of our IPO.

Voting Agreement

We entered into a second amended and restated voting agreement, or the Voting Agreement, in July 2019 with each holder of our preferred stock, which included certain holders of more than 5% of our common stock and certain of our directors and executive officers, pursuant to which the stockholders party to the Voting Agreement agreed to elect (i) one director designated by the holders of a majority of the outstanding shares of our Series A convertible preferred stock and Series A-1 convertible preferred stock, who was Marc A. Cohen, (ii) one director designated by either Axil or Taiwan Bioventures, who was Michael Huang, (iii) one director designated by Perceptive Life Sciences Master Fund, Ltd., or Perceptive, who did not designate a director, (iv) our chief executive officer, (v) one director designated by the holders of a majority of the outstanding shares of our common stock, who was Robert S. Langer, Sc.D., (vi) one director who was independent from our company and any stockholder party to the Voting Agreement and designated by a majority of the other directors, who was Timothy J. Barberich, and (vii) two directors who were designated by a majority of the other directors, who were Joel S. Marcus with the second designation vacant.

The above provision of the voting agreement terminated upon the closing of our IPO, and members previously elected to our Board of Directors pursuant to the voting agreement continue to serve as directors until the election and qualification of his successor or his earlier death, resignation or removal.

Right of first refusal and co-sale agreement

We entered into a second amended and restated right of first refusal and co-sale agreement, or the First Refusal and Co-Sale Agreement, in July 2019 with certain holders of our common stock, or the Key Holders, and each holder of our preferred stock, which included certain holders of more than 5% of our common stock and certain of our directors and executive officers, pursuant to which we had a right of first refusal in respect of certain sales of securities by our Key Holders. To the extent we did not exercise such right in full, the holders of convertible preferred stock were granted certain rights of first refusal and co-sale in respect of such sale. The First Refusal and Co-Sale Agreement terminated immediately prior to the consummation of our IPO.

Registration rights

The Investors' Rights Agreement grants the parties thereto certain registration rights in respect of the "registrable securities" held by them, which securities include (1) the shares of our common stock issuable or issued upon the conversion of shares of our convertible preferred stock, (2) any shares of our common stock, or any common stock issued or issuable upon conversion and/or exercise of any of our securities acquired by the parties after the date of the Investors' Rights Agreement, and (3) any shares of our common stock issued as a dividend or other distribution with respect to, or in exchange for, or in replacement of, the shares described in the foregoing clauses (1) and (2). The registration of shares of our common stock pursuant to the exercise of these registration rights would enable the holders thereof to sell such shares under the Securities Act when the applicable registration statement is declared effective. Under the Investors' Rights Agreement, we will pay all expenses relating to such registrations, including the reasonable fees of one special counsel for the participating holders, and the holders will pay all underwriting discounts and commissions relating to the sale of their shares. The Investors' Rights Agreement also includes customary indemnification and procedural terms.

Form S-1 registration rights

If at any time the holders of at least 40% of the registrable securities request in writing that we effect a registration with respect to at least 25% of such registrable securities then outstanding (or a lesser percent if the anticipated aggregate offering price, net of selling expenses, would exceed \$10.0 million), we are obligated to register their shares. We are obligated to effect at most two registrations in response to these demand registration rights. If the holders requesting registration intend to distribute their shares by means of an underwriting, the managing underwriter of such offering will have the right to limit the numbers of shares to be underwritten for reasons related to the marketing of the shares.

Piggyback registration rights

If at any time we propose to register any shares of our common stock under the Securities Act, subject to certain exceptions, the holders of registrable securities will be entitled to notice of the registration and to include their registrable securities in the registration. If our proposed registration involves an underwriting, the managing underwriter of such offering will have the right to limit the number of shares to be underwritten for reasons related to the marketing of the shares.

Form S-3 registration rights

If, at any time after we become entitled under the Securities Act to register our shares on a registration statement on Form S-3, the holders of the registrable securities request in writing that we effect a registration with respect to registrable securities at an aggregate price to the public in the offering of at least \$1,000,000, net of expenses borne by the holders, we are obligated to effect such registration. We are not obligated to effect more than one S-3 registration in any 12 month period.

Table of Contents

Expenses and indemnification

Ordinarily, other than underwriting discounts and commissions, we will be required to pay all expenses incurred by us related to any registration effected pursuant to the exercise of these registration rights. These expenses may include all registration, filing and qualification fees, printing and accounting fees, fees and disbursements of our counsel, and reasonable fees and disbursements of a counsel for the selling securityholders. Additionally, we have agreed to indemnify selling stockholders for damages, and any legal or other expenses reasonably incurred, arising from or based upon any untrue statement or alleged untrue statement of a material fact contained in any registration statement, an omission or alleged omission to state a material fact required to be stated in any registration statement or necessary to make the statements therein not misleading, or any violation or alleged violation by the indemnifying party of securities laws, subject to certain exceptions.

Termination of registration rights

The registration rights expire on the earlier of (1) the date that is five years after the closing of our IPO and (2) with respect to each stockholder, at such time as such stockholder can sell all of its shares pursuant to Rule 144 of the Securities Act or another similar exemption under the Securities Act during any three month period without registration.

Indemnification agreements

We entered into indemnification agreements with each of our directors and executive officers. These agreements, among other things, require us to indemnify each director and executive officer (and in certain cases their related venture capital funds) to the fullest extent permitted by Delaware law, including indemnification of expenses such as attorneys' fees, judgments, fines, and settlement amounts incurred by the director or executive officer in any action or proceeding, including any action or proceeding by or in right of us, arising out of the person's services as a director or executive officer.
